In 2007, Gunslick® introduces a whole new way to clean your firearm. The Snap-N-Pull™ Gun Cleaning System allows you to rid your barrel of fouling and grime without having to disassemble your gun. Simply put solvent on a patch or brush, insert the cable into the bore and pull out the barrel. All the dirt and build up comes out away from the gun's action. The Snap-Lock™ adaptor allows you to quickly clean multiple calibers without having to screw in different mops and brushes. The entire system comes complete with Ultra-Klenz®, an advanced gun cleaning chemical, and is housed in a striking soft case for easy packing and storage.

**SNAP-N-PULL™ QUICK BARREL CLEANING SYSTEM**

The days of using multiple rods and adaptors for different firearms are gone. Simply attach your mop or brush in the preferred caliber to the cable and pull it through the barrel. With the Snap-N-Pull™ System and the Snap-Lock™ adaptor, you can easily clean all your guns more efficiently and effectively.

**SNAP-LOCK™ ACCESSORY KIT**

The new Snap-Lock™ accessory kit makes a great addition to any gun cleaning workbench. This innovative cleaning tool allows you to attach and detach multiple mops and brushes quickly and easily. With this set you'll receive the Snap-Lock adaptor that makes standard cleaning rods compatible, making brush, mop and jag changes a breeze. Clean all your guns quickly and easily with the Snap-Lock accessory tools from Gunslick®.

UNIVERSAL RIFLE	63020
UNIVERSAL PISTOL	63022
UNIVERSAL SHOTGUN	63024

Gunslick® has the most advanced gun cleaning products available. With our cleaners and degreasers, you get ultimate performance, and the simplest process, every time. Our two foaming options have two different functions, but both boast a foaming action and easy application. For all your gun care needs, choose Gunslick, and use the best there is.

**GUN-FOAM® GUN OIL**

**SIZE ITEM#**

Keeping a firearm well oiled and rust free is a major goal for gun owners. Gun-Foam® does both. This patented system is considered the ultimate in lubrication technology and provides superior rust protection – regardless of temperature in the extremes.

**5 oz aerosol 85104**

U.S. Patent #5946843

**FOAMING BORE CLEANER™**

**SIZE ITEM#**

Use Foaming Bore Cleaner™ for a fast, easy and effective way to clean your gun. Foam away fouling with 3 simple steps — just spray, wait and remove. There's no scrubbing necessary. Cleaner turns blue from dissolving copper deposits and ensures complete coverage of the inside of your barrel so no spot is left untouched. Contains no ammonia.

**3 oz aerosol 92092**

**5 oz aerosol 92096**

**12 oz aerosol 92098**

**ULTRA-KLENZ®**

Ultra-Klenz® is a versatile, top of the line gun cleaner that dissolves 99% of powder fouling, removes copper and loosens lead deposits.

**BRUSHES/MOPS/TIPS**

Gunslick® provides high quality, precision-engineered cleaning tools to keep your firearms in top condition. The caliber specific brushes are constructed of durable phosphor bronze to assure adequate scrubbing without causing bore damage. Mops are wool blended to easily transfer oils and solvents.

\*See chart on page 15 for specific use guide.

With so many specialty products designed to meet the individual needs of shooters, your cleaning bench can get pretty full. That's why Gunslick® has items like the Match-Grade Gun Maintenance Center, Cleaning Tool Cases and the Match-Grade Gun Care Center to keep it all organized. With all your cleaning supplies and tools in order, getting your gun ready for the field is a whole lot easier.

New for 2007, we've added three one-piece carbon fiber options to round out our full spectrum of top-quality rods that feature soft grips, ergonomic handles and double ball bearings.

## 1-PC CARBON FIBER RODS

The one-piece Carbon Fiber Cleaning Rods are extremely strong and straight. Carbon fiber offers the serious rifle shooter a rod that eliminates particle pickup and possible damage to your barrel. The soft grip handle is ergonomically designed for comfort and efficient cleaning. It contains ball bearings to ensure years of smooth rotation and function.
